

Memo No. 19380/CEIG/D1/2022, Dated: 26.06.2023

Sir,

Sub: Electrical Inspectorate – Implementation of operating mechanism for of Single Window Portal - Guidelines of processing through Single Window Portal – Additional Instructions Issued - Regarding.

- Ref:
1. G.O. (Ms.) No. 161, Industries (MIB.I) Department dated, 07.06.2021.
 2. Guidelines for TNEI processing for Single Window Portal(mail received dated 15.06.2022).
 3. This office Memo No. 19380/CEIG/D1/2022, Dated: 05.07.2022
 4. This office Memo No. 19380/CEIG/D1/2022, Dated: 08.12.2022

In this office memo under reference 3rd cited, it has been informed that as part of the series of business reforms targeted at increasing transparency, improving efficiency & effectiveness of regulatory agencies, the services of this department namely, drawing approval and safety certificate have been made end-to-end online clearance eliminating the physical submission of documents. The government has implemented this new system to streamline the application process and enhance efficiency. It is essential that the consumers and electrical contractors are sensitized about this development to utilize online system effectively.

The online drawing scrutiny report and safety certificate process provides numerous benefits, including convenience, time savings, and transparency, reduce paperwork, and ensure faster processing times. Additionally, the online system allows for easier tracking and monitoring of application progress.

To ensure the success of this initiative, it is requested to spread awareness among the consumers, and contractors about the availability of the online drawing scrutiny report and safety certificate on the single window portal <https://tnswp.com> and encourage them to take advantage of this streamlined process by submitting their applications online.
